

# MOBILE BAY CAMPER RENTALS

## Say goodbye to 2 campers... and hello to 3!

In an effort to have newer campers that are in good shape for renters, we have to sell some of our campers that we own or end consignments. The Grey Wolf and the Dutch Aspen Trail are no longer in the fleet but don't fret, we added 3 more campers to the fleet!

We added the 2023 Jayco Jayflight (1), the 2024 Starcraft Autumn Ridge (2) and the 2021 Venture Sonic (3). All of these towable campers have different features. Both the Starcraft and Venture RV's have a queen, full size bunks, and are on the lighter side. However, the new Jayco is the longest camper with the most sleeping arrangements out of all of the campers in our fleet with a total of 10! It's perfect for bigger families! (Find more details on our website.)

We also have refreshed a lot of the items that we put in the campers. We have all new Eddie Bauer comforters, crisp linens, and fluffy white towels! Last year, we purchased new Keurig coffee machines, a plate set, toiletries, etc! We are ready for your trips with us!

## Winter Camping Recipe

Who knew there are so many variations of s'mores? Cold nights are perfect for them, whether you want a fancy s'more or a good ole traditional one.

**Original Recipe:** graham cracker, milk chocolate square, marshmallow

**Peanut Dream:** graham cracker, Reeses peanut butter cup, marshmallow

**Sweet & Salty:** Ritz cracker, milk chocolate square, marshmallow

**Salted Caramel:** graham cracker, caramel square, sea salt, marshmallow

## RV Park Spotlight

**Have you heard about Splash Resort and Waterpark?** It's located by Navarre Beach in Milton, FL and is packed with fun for families or couples visiting by themselves. With shaded RV pads, a lazy river, a heated adult pool, a lake to relax by, food & drinks, and an activity schedule, it's no wonder people are talking about visiting this place!

Delivery is \$300 for this location. Check it out!

Stay tuned for more RV Spotlights!

## Eastern Shore Activities in the Winter

Winter is a great time to explore lower AL without breaking a sweat! Branyon Backcountry Trail is an award-winning 28+ mile paved trail system that takes visitors throughout the 6,150 acres of Gulf State Park. Similarly, the Eastern Shore Trail consists of sidewalks and paving that start at I-10 at the north end, extend down US 98 and Scenic 98 through Daphne, Montrose, Fairhope and Point Clear, and end at Weeks Bay. A popular point to start your ride is in Village Point Park Preserve in Daphne and head South.
